Rs. 3,700/- and above	900/-

02. The Non-Practising Allowance at the revised rates would be admissible only on those medical posts for which a medical qualification recognised under the Indian Medical Council Act, 1956 or under the Dentists Act, 1948 has been prescribed as an essential qualification and to which the Non-Practising Allowance is attached at present.

03. Government is further pleased to direct that non-practising allowance should be counted for the purpose of "pensionable pay" and recovery of licence fee for Government accommodation only and not for any other service purpose, such as Travelling Allowance, Dearness Allowance, House Rent Allowance, City Compensatory Allowance, etc..

04. The revised rates shall be effective from the 1st September, 1988. While drawing the arrears in the revised scale for the period from 1st January, 1986 to 31st August, 1988 (both days inclusive) there will be no change in the rates of existing Non-Practising Allowance.

admissible on the existing pay-scales. No change should, therefore, be made in the amount of Non-Practising Allowance already drawn/paid, upto 31st August, 1988.
